(The safety of children requires the consistent and cooperative effort of parents. Parents are strongly urged to be at the pick-up and drop-off points each day, both in the morning and evening. The bus caregivers are instructed by the school not to let students out of bus if the parents are not found at the drop-off points. In an exceptional case of working parents, you may authorize a responsible adult to pick your child. However a written consent has to be submitted to the Principal for the same. There is no substitute for adult supervision. An ID card will be issued to the parent / authorised person to receive the child from the school bus.)
